Product Information:

Items come fully assembled unless listed as kits and include all mounting bolts and fixtures were applicable. All cast parts in kits, resin, white metal or bronze are from molds and require clean up.

Photo etched parts require bending on bend lines. Some parts require soldering.

Product Guarantee:

We offer a full money back guarantee if you are not satisfied for any reason. We will also replace any parts that are damaged or break during normal usage and assembly. Running your tank or AFV into a brick wall or tree does not qualify, but we will work with you.

All items sold as sets as listed. Individual parts from sets are not sold separately.
